PLAYER DEVELOPMENT

Ed Meierkort, the USD coaching staff and Coyote players will give personal instruction on techniques and fundamentals of the game. Each team and their coach will be allotted practice time to work on offensive and defensive schemes.

Individuals not on a team are encouraged to attend and we will put an extra team together for you. USD will not provide equipment.*

The first practice of every day will be devoted to individual drills taught by the USD staff and players. The second and third practice will be used to work as a team and scrimmage with other teams attending the camp. With live team scrimmages coaches and players are able to develop the team chemistry over a three day period. While the scrimmages are controlled they create a game like atmosphere that will prepare teams for Friday nights.

**ALL PLAYERS MUST BRING THEIR OWN EQUIPMENT.*

WHAT COACHES HAVE SAID...

"We love the team camp at USD. The seniors get their first chance at leadership for the year. The young kids get a jump on learning the HS routine. The coaches get an opportunity to try new stuff for the upcoming season and a chance to socialize and learn from the other coaches at camp."

-Fred Wieck, Head Football Coach, Clear Lake, IA

"The summer camp at USD has given our coaches what we've needed in order to evaluate our players for the upcoming season(s). The players look forward to the opportunity to improve their skills using the intensity and challenges provided us by the coaches and players at the 'U'. Our program has benefited greatly from the experience we receive at the team camp."

-Curt Bladt, Head Football Coach, Harlan, IA

"USD's football camp provides us with a great opportunity to fine tune all aspects of our offense and defense during the summer and get a jump start on each season. The King of the Hill competition provides a game-like atmosphere for our kids and really helps prepare us for Friday nights."

-Mark Esch, Mankato West High School

"South Dakota's Team Camp provides us an opportunity to evaluate our kids before the season starts, play other schools we normally don't play and has been a great overall experience for the Warriors."

-Brian Hermanson, Sioux Falls Washington

"This camp has become an integral part of our program. When we begin preparations for our team each year, it starts with the USD Camp. We always go into camp with a lot of questions, and come out with at least one or two surprises. It is a great time to build team chemistry, and we are always treated first class.

-Toby Lorenzen, Head Football Coach,
Central Lyon/George-Little Rock
